

Dear BC/BS, Aetna and GHI Patients;

Thank you for choosing Infinity Diagnostic Labs. We thank you for your business.

Within 4-6 weeks you will receive an Explanation of Benefits from your insurance company detailing the charges and payments for the services we provided. This will range from no payment up to the total amount billed and everywhere in between.

Quite often this EOB has a check attached. This check will be made payable to the policy holder. If you receive a check from BC/BC, Aetna, or GHI, please either:

- **Endorse the check and send it to the address below with the EOB to ensure it gets applied to the correct account.**

OR

- **Deposit it and send a personal check in the same amount with a copy of the EOB to the address below.**

This will complete any financial obligation you may have to Infinity Diagnostic Laboratories.

Failure to do so may result in your receiving a bill from the laboratory.

Thank you for your cooperation.
